

Privacy

We value your privacy and the security of the information that you may choose to submit as part of your visit to the website. Any information provided by you is held with the utmost care and security, and will not be used in ways to which you have not consented. We do not collect any personal information about individuals except when specifically and knowingly provided by such individuals. Examples of such information are: name, postal address, email and telephone number.

We will only share non-personal aggregate or summary information regarding its customers with partners or other third parties for marketing or demographic purposes. We do not sell or share any information about individual customers. This means that the information shared with the third parties DOES NOT include any personal identifying information.

Cookies are files that web browser places on your computer's hard drive. These cookies assign a unique identifier to your computer. Cookies provide the means by which you receive personalized contents, such as pre-filled out order forms and customized pricing. We do not and cannot use cookies to retrieve personal information about you from your computer unless such information was knowingly and willingly provided by you.

If you have questions about our privacy policy or about submitting information as part of your visit to our website, please contact us.
